Dear Mr. kirkland:

This is to confirm your firm on September 7, 2008 graduated from the 8(a) Program after nine years. BKM Resources will remain as a Small Disadvantaged Business indefinitely. This certification is now a self certification and you will not have to reapply for continuation of the status. Since BKM Resources approval for SDB certification has recently been extended, any Prime government contractor can also take advantage of that certification. Please note it would be helpful to any prime that does business with your firm as they would be able to get credit under your SBA's certification.

Should you have any questions on the above, please contact the undersigned at (973) 645-3729.

Sincerely,

A handwritten signature in blue ink, appearing to read "Sanford Gerber", is written over a faint, circular stamp.
